The Outcomes.

By the end of the session masterclass participants will experience the following **outcomes**:

- **Be inspired to reach their friends, family, colleagues, and communities.** Participants will learn the value of personal relationships in spreading the gospel and take steps to reach others through conversation and spiritual guidance.

- **Gain an understanding of Jesus' philosophy of mission.** Participants will explore Jesus' teachings on mission and evangelism, gaining insights into His heart for the lost and His focus on relationships, aligning their efforts for more effective gospel outreach.

- **Gain a practical template to use when sharing the gospel.** Participants will receive a step-by-step guide for sharing the gospel, covering conversation starters, key aspects of the faith, and addressing objections, equipping them to share confidently in any setting.

- **Gain confidence in evangelism.** Participants will gain the skills and confidence to evangelize, overcoming fear through practice in a supportive environment, leaving ready to share the gospel and impact their communities.

The Content.

Masterclass participants will receive **four** simple steps to reach anyone, anywhere.

01 **Spread: How to reach as many people as possible.** This principle helps participants identify opportunities to share the gospel broadly, ensuring it reaches as many people as possible.

02 **Spread: How to reach as many people as possible.** This principle helps participants identify opportunities to share the gospel broadly, ensuring it reaches as many people as possible.

03 **Stay: How to deepen the conversation.** This principle equips participants to foster deeper dialogues, allowing individuals to ask questions, express doubts, and grow in their understanding of the gospel.

04 **Send: How to equip those who have been reached to reach their friends.** This principle focuses on mentoring new believers, equipping them to confidently reach their circles and multiply the gospel's impact.
